#### Scenario

"You are a student of the Master of International Business at IESEG. It is the end of your second semester. A colleague of yours must do the internship in your home country. This person does not know a lot about your country; (s)he did not travel a lot in her/his life; participating to the MIB program was really her/his first chance to be exposed to an international environment. Now, what would you suggest to him to maximize his experience?" (Please provide a feasible answer in about 1000 words maximum).
