

## Mingyuan Jasmine JIANG

Assistant Professor, Management of Information Systems

m.jiang@ieseg.fr

### EDUCATION

**2026** Ph.D., Other, Management of Information Systems, The University of Queensland, Australia

**2017** Master, Other, Management of Information Systems, Australian National University, Australia

### RESEARCH INTERESTS

Management Information Systems

### PROFESSIONAL EXPERIENCE

#### ACADEMIC:

**2026 - Present** Assistant Professor, IESEG School of Management, France

### INTELLECTUAL CONTRIBUTIONS

#### Refereed proceedings

##### Published

JIANG M. J., Karanasios S., Breidbach C., (2025), AI Innovation: Driving Phenomenal Knowledge Crossing in the Context of Geoscience, in: Mingyuan Jiang(Eds.) in *AI Innovation: Driving Phenomenal Knowledge Crossing in the Context of Geoscience*, Academy of Management , New York
