

Assistant/Associate/Full Professor in **OPERATIONS MANAGEMENT**

FACULTY POSITION

IÉSEG School of Management at the Catholic University of Lille invites applications for a full-time permanent position (starting September 2019) in Operations Management at the Assistant, Associate or Full Professor level (Paris or Lille Campus).

ABOUT IÉSEG SCHOOL OF MANAGEMENT

- IÉSEG holds the "triple crown" of international accreditations (AACSB, AMBA & EQUIS) and is a member of the "Conférence des Grandes Écoles".
- IÉSEG is one of the leading French business schools in terms of research. The IÉSEG Research Center is accredited by the French CNRS (National Center for Scientific Research).
- IÉSEG actively promotes research and provides resources for active scholars and integrates financial bonuses for high quality international peer-reviewed research publications.
- The IÉSEG faculty is highly qualified and diverse with over 40 different nationalities represented.
- IÉSEG offers Bachelor, Master and Post-Graduate Degrees as well as Executive Education programs.

Our Lille Campus is in the heart of the Northern French city of Lille (within the triangle made up by London, Paris and Brussels), and our Paris Campus (with a brand new building) is located in the biggest European business district of "La Défense". Both premises have an excellent classroom infrastructure as well as an energizing research environment. More information about IÉSEG School of Management is available online at: <http://www.ieseg.fr/en/>

ABOUT THE MANAGEMENT DEPARTMENT

The Management department consists of almost 60 full-time academic staff in the areas of Operations Management, Information Systems, Human Resources Management and Innovation & Entrepreneurship. The School provides ample resources to support a variety of research interests and activities. The School maintains an excellent network with overseas institutions for collaborative work. Over the last few years, faculty members have been successful in publishing their research papers in top-tier refereed international journals such as European Journal of Operational Research, International Journal of Production Economics, International Journal of Production Research and IEEE Transactions on Engineering Management.

JOB QUALIFICATIONS

The candidate is expected to show commitment to research excellence and evidence of strong teaching skills and/or professional experience. He/she will teach at undergraduate, graduate and postgraduate levels and will also contribute to the design and development of the department's programs. The candidate should be a team player.

Applicants should possess a PhD in Operations Management, Decision Sciences, Industrial Engineering or a closely related domain and be able to provide evidence of publications (and/or demonstrate the potential to publish) in reputable academic journals. It is a plus if the candidate has a strong interest in digital supply chain management, data-driven operations management, supply chain analytics, and/or artificial intelligence in logistics.

Applicants should be completely fluent in English as all courses at IÉSEG are taught in this language. Prior knowledge of French is not required as the School will provide French courses to faculty members.

Applicants for the position of Assistant Professor should have the potential to secure publications in top-tier refereed journals. For appointment at the Associate/Full Professor level, applicants are in addition required to have (a) extensive higher education teaching experience; (b) a strong publication record in

top-tier refereed journals; and (c) good networks in both academia and professional circles at regional and international levels. Candidates with less experience will be considered for an appointment at Assistant Professor level.

SALARY RANGE

The salary is competitive. Housing search assistance is provided by IÉSEG. Employees also benefit from French social security benefits, complementary health insurance and a contributory pension scheme.
