With 285 partner universities located in more than 69 countries, IÉSEG strives to create a truly international learning environment for its students, faculty and staff. IÉSEG currently hosts 5500 students on its both campuses, with 2400 international students. 82% of IÉSEG faculty is international.

It is the gateway to north-western Europe with 5 European capitals within a 250 km radius: IÉSEG is easily reached from Brussels (35 minutes), London (1h20) and Paris (1 hour). Landing at Paris Charles De Gaulle airport and taking the TGV fast train is the most convenient way to get to Lille (1 hour). You will discover a unique blend of European traditions, integrating the charm of French city life and with Northern European architecture and history.

The school has its own facilities at the heart of the beautiful Catholic University campus, next to the peaceful Jardin Vauban and within easy walking distance from student residences and the commercial and cultural centre of Lille. On 22,500 m² the campus has 26 lecture halls, 47 classrooms, 7 multimedia rooms, 2 trading room, 1 library, 1 cafeteria and rooms available for school associations.

As France's capital, Paris is a major source of culture, history, fashion, food, and more. The city's rich cultural and historical base, coupled with its tendency to transform and develop, makes Paris an innovative and dynamic city. It was ranked 1st in the QS Best Student Cities Ranking 2015 and 2016.

Paris campus opened in 2009 in the heart of the business district of «La Défense» more precisely in the «Grande Arche», and was extended with a brand new building in September 2017. On the 15,500 m² the campus has 20 lecture halls, 20 classrooms, 3 multimedia centres, 1 trading room, 1 library, 2 cafeterias and rooms available for school associations.

This prime location allows the school to reinforce its links with companies and build on its already excellent reputation nationally and internationally (1 500 companies). La Défense is itself a very important economic area: the campus is close to a big shopping centre, restaurants, snack bars, cinemas, and above a RER station (transportation), 45 minutes from TGV train station Gare du Nord, 55 minutes from Paris CDG airport.

HOUSING

Housing Offer

ÎÉSEG provides different housing options: student and private residences, as well as private housing (private landlords). Once the student is accepted into ÎÉSEG Exchange program, we send him an electronic acceptance letter. He will receive housing details by email a few weeks later.

It is on a **first-come, first-served** basis. It will be more difficult to find housing on arrival, **so we greatly advise students to book housing as soon as we contact them.**

Leasing contracts are for a one semester period minimum.

(Fall: August 1 till December 31; Spring: January 1/2 till May 31/June 30)

If your stay in France includes January 1st, the French government (*Direction Générale des Impôts*) might ask you to pay "taxe d'habitation". This council tax is mandatory and applicable to anyone, even if you moved or returned to your home country afterwards. Usually worth a month rent. Will depend on your type of housing / landlord.

Our International Services Coordinators will support students in this process, so they should not hesitate to contact them for any question about housing or for assistance.

Housing Insurance

Students are required to subscribe an insurance to cover personal and civil liability. Coordinators will send information to students before arrival.

CAF Housing subsidy

Incoming international students may be eligible for housing subsidy, based on their residence title and length of stay. The subsidy depends on the amount of rent, income, type of accommodation and its location (from 30€ to 250€/month). Students also need a French bank account. The month when you apply is lost (ex: if you apply in January, you will receive money from February).

Non-European citizens who have a visa with a « dispense temporaire de titre de séjour » mention or stay for less than 90 days are not eligible for CAF.

DO NOT PLAN your budget based on that financial help, as requests, if applicable, take a minimum of 2 months to be processed.

Our International Services Coordinators will support students in this process.

Approximate Cost of Housing:

Between EUR 500 and 1200 per month, depending on type of housing and duration of stay (average of EUR 850 per month).

ADDITIONAL INFORMATION

Visa: **Non-European students must ask for a student long stay visa for studies (D visa), also called VLSTS (visa de long séjour valant titre de séjour) to the French Consulate of their home country.**

For stays less than 6 months, students may get a visa which exempts them from residence permit. In that case, they won't have any administrative formalities to complete upon arrival but the visa will prevent them from receiving the financial support for accommodation from the French Government. **Students should check with the Embassy what kind of visa they will receive and which possibilities this visa offers.**

Exception: Students coming for less than 90 days (due to academic trimester system in their home university) should ask for a Schengen visa.

Residence title: (OFII procedure - Office Français de l'Immigration et de l'Intégration)

In case non-European students have to apply for a residence title in France, we'll help them with the administrative procedure. Cost: fiscal stamp of 60 Euros (to be paid once for the whole stay).

In case of extended period of study in France, the residence title will have to be renewed at extra costs.

Health Insurance:

European students must ask for the European Health Insurance Card in their country. Quebec citizens must ask for the SE401 Q106. If European and Quebec citizens do not have these documents, they will have to process as non-Europeans.

Non-European students (whatever their age) are obliged to register to the French health insurance, based on French Law. Coverage is from 1st of September till 31st of August at no cost, to be done once in France with our support. Students will be covered while they are in France.

We also strongly encourage them to have an international insurance, covering them for travels, lost luggage, repatriation and civil liability.

For travels in Europe, **our staff will provide students with complementary information. For those who stay a complete academic year, please bring a birth certificate (with «apostille» if applicable) for the registration to the French health insurance (will also be used for housing subsidy).** The document should be in French; you may get in touch with the French Consulate or Alliance Française for advice on translation in French.

NEW MEDICAL INFORMATION:

Since February 2019, a new law has been implemented by the French government. **From September 2019 a new medical process is required for all new incoming international students upon arrival:** they should prepare a medical attestation from their doctor showing that they don't carry any contagious diseases, that her/his health condition does not reveal any contraindication to her/his exchange at IÉSEG, as well as the dates when important vaccines were done such as Diptheria, tetanus, polio, whooping cough/pertussis, Hepatitis B, Chickenpox, Meningitis, Flu, Tuberculosis). This attestation will have to be sent by email to our Health Center (CPSU) before the orientation week and it will be opened by an official general practitioner/doctor. Depending on the situation, the Health Center may call students for a medical check. **The form to fill in will be sent by email to all students during the Summer.**

International Club:

IÉSEG "International Club" is an association of voluntary IÉSEG students who studied abroad. They organize trips, parties, language café, international diners, buddy program, etc. so students will take advantage of their time in France. This association is present on both campuses.

Lille: clubinternationallille@ieseg.fr - Paris: clubinternationalparis@ieseg.fr
