1) COURSE PRESENTATION

Aims:

Draw up a list of competencies and/or skills that the student should have acquired or improved at the end of the course.

You must fill in the field under the format "the student should be able to..." using action verbs such as define, realise, control... *(This description should not take more than ten lines)*

At the end of the course, the student should be able to:

Understand the impact of globalization on goods, labour, and financial markets
Appreciate the economic effects of trade wars
Discuss the impact of regional trade and investment agreements on the world economy

Prerequisites:

You must not write courses' codes or names, but identify the preliminary skills as the knowledge or the know-how needed to efficiently follow this course.

Write it out in terms of knowledge and methodologies required to follow this course (this would help students from direct entry to position themselves). *(This description should not take more than five lines)*
