Exchange students

Syllabi and more details on courses offered to incoming exchange students can be found on:

<https://www.ieseg.fr/en/international/study-at-ieseg-in-exchange/course-list/>

All courses offered through the Exchange Program are within the 5-year Grande Ecole Program (PGE).

In Fall 2020, we launched our [redesigned Grande Ecole Program](#) (PGE), and we implemented the last changes in 2022/2023 on the curriculum of the Bachelor cycle of the Program.

From now, incoming exchange students at bachelor level will choose courses from the [6th semester](#) of our Bachelor cycle, [taught BOTH in Fall and Spring semesters](#), which is aimed at acquiring a holistic international experience. They will share classes with IÉSEG students, spending a significant amount of time with subjects of international, social, and cultural importance. The semester will be partly made up of electives.

What should students keep in mind for their course selection?

- Credits
 - A regular semester load is 30 ECTS credits (European Credit Transfer System), and we accept a minimum of 20 ECTS from incoming exchange students. Students should make sure they know how many credits they need to validate.
 - In case students need less than 20 ECTS, we request official emails from Home University Coordinators.
 - Courses vary from 2 to 6 ECTS, so students should take between 8 and 12 courses to reach 30 ECTS.
- Format
 - EXT: Extensive (semester long course) / INT: Intensive (1-week course)
- Course availability
 - Bachelor students have access to Bachelor courses only (our Bachelor cycle is 3 years).
 - Students with a Bachelor in 4 years at their home university coming to IESEG during their fourth year will choose between either our Bachelor OR Master-level courses. These offers cannot be mixed.
 - Master students have access to Master courses only.
- Bachelor level courses
 - Incoming Bachelor exchange students will have access to Core Courses (CC) and Electives courses (OE) from the 6th semester of our Bachelor cycle, taught both in Fall and Spring semesters.
 - Students will be required to rank their preferred courses.
 - Courses will be assigned according to course availability while respecting the students' preferences as much as possible.
 - For some universities, the transfer of credits will be facilitated if students take 6 ECTS credit courses (equivalent to 3 credits in the USA and Canada). In this case, students should choose in priority these 6 ECTS courses in your list.
- Master level courses
 - The Master cycle of the PGE is a Master in Management, with 7 majors.
 - Incoming exchange students have access to the same Core Courses and Major Core Courses as IÉSEG students.
 - Incoming Master exchange students will be required to choose between 2 options:
 - Option 1 : Compulsory core Courses (CC)+ Major Core Courses (MCC) depending on the chosen track
 - Option 2: Compulsory core Courses (CC) + International Electives (IE)
 - Courses will be assigned according to course availability while respecting the students' preferences as much as possible.

- French language Courses /Bachelor & Master level students
 - FLE (Français Langue Etrangère) courses are 2 ECTS.
 - They are available to all incoming exchange students, and not mandatory.
 - Registered students will receive details for an online language test, which will be used to enroll them in FLE courses.
 - The FLE elective course BIEN PRONONCER LE FRANCAIS (0521) is available to Level 1 and Level 2 students only.
 - The course ATELIER INTERCULTUREL DE CONVERSATION (3318) is available to Level 3 (Level 4 upon request).
 - The FLE elective course PRÉPARATION AU DELF B1 ET B2 (0520) is available to Level 4 (Level 3 upon request).
