Exchange students

Syllabi and more details on courses offered to incoming exchange students can be found on:

<https://www.ieseg.fr/en/international/study-at-ieseg-in-exchange/course-list/>

All courses offered through the Exchange Program are within the 5-year Grande Ecole Program (PGE).

What should students keep in mind for their course selection?

- Credits
 - A regular semester load is 30 ECTS credits (European Credit Transfer System), and we accept a minimum of 20 ECTS from incoming exchange students. Students should make sure they know how many credits they need to validate.
 - In case students need less than 20 ECTS, we request official emails from Home University Coordinators.
 - Courses vary from 2 to 6 ECTS, so students should take between 8 and 12 courses to reach 30 ECTS.
- Format
 - EXT: Extensive (semester long course) / INT: Intensive (1-week course)
- Course availability
 - Bachelor students have access to Bachelor courses only (our Bachelor cycle is 3 years).
 - Students with a Bachelor in 4 years at their home university coming to IESEG during their fourth year will choose between either our Bachelor OR Master-level courses. These offers cannot be mixed.
 - Master students have access to Master courses only.
- Bachelor level courses
 - Incoming Bachelor exchange students will have access to Core Courses (CC) and Electives courses (OE) from the 6th semester of our Bachelor cycle, taught both in Fall and Spring semesters.
 - Students will be required to rank their preferred courses.
 - Courses will be assigned according to course availability while respecting the students' preferences as much as possible.
 - For some universities, the transfer of credits will be facilitated if students take 6 ECTS credit courses (equivalent to 3 credits in the USA and Canada). In this case, students should choose in priority these 6 ECTS courses in our list.
- Master level courses
 - The Master cycle of the PGE is a Master in Management, with 7 majors and 10 specializations.
 - Incoming exchange students have access to the same Core Courses and Major Core Courses as IESEG students.
 - Incoming Master exchange students will be required to choose between 2 options:
 - Option 1 : Compulsory core Courses (CC)+ Specialized Core courses (SCC) depending on the chosen track
 - Option 2: Compulsory core Courses (CC) + International Electives (IE)
 - Courses will be assigned according to course availability while respecting the students' preferences as much as possible.

- French language Courses / Bachelor & Master level students
 - FLE (Français Langue Etrangère) courses are 2 ECTS.
 - They are available to all incoming exchange students and are not mandatory.
 - Registered students will receive details for an online language test, which will be used to enroll them in FLE courses.
